# NEBOSH International General Certificate in Occupation Health and Safety (IGC)

### **Who is it for?**

The NEBOSH International General Certificate is ideal for managers, supervisors and anybody with health and safety management responsibilities. It's also perfect for those who want to develop their health and safety career and gives you a stepping stone to success.

### **Learner Prerequisites**

There are no prerequisites for this training course. However, NEBOSH recommend a proficiency in English language, both written and spoken, to IELTS level 6.0.

### **What will i Know?**

With in-depth focus on the things that matter, the NEBOSH International General Certificate covers the core skills you need, wherever in the world you work. You will learn:

- How to effectively manage health and safety

- How to identify and control common workplace hazards
- How to measure if you've been successful
- Relevant key international standards

### **What will I be able to do?**

Risk assessment is central to the qualification. Through study and workplace application, successful learners will be able to:

- Confidently carry out risk assessments;
- Develop and implement a detailed action plan;
- Manage and minimise workplace risks; and
- Support and develop your company's health and safety culture.

### **How is it assessed?**

Assessment is a two-step process.

- A 'ONLINE' question paper to assess what you know; and
- A practical risk assessment to assess what you can do.

### **Duration and Timing**

The optimum 'contact time' for this training programme is seen as 10 days, plus one additional day for the 'Open Book Exam'.

### **Location**

This course can be delivered at anyone of our training facilities, or at your facility.

### **Cost**
